

Wilderness First Responder

W.F.R. - 80 hrs (A.W.F.A. - 40 hrs, W.F.R. Bridge - 40 hrs)

WFR Course Description:

An advanced program for outdoor professionals who work in remote settings, rescue personnel, and those requiring a solid foundation in wilderness pre-hospital emergency care. In addition to the material covered in the 40 hour program, special emphasis is placed on traumatic injuries, incident command, long term patient care, leader responsibility and liability, advanced medical aid kits, wound cleaning, evacuation procedures, and working with Emergency Medical Services.

** Note that this WFR course will be taught as a 40 hour Advanced Wilderness First Aid (AWFA) Course followed by a 50 hour WFR Bridge Course (consecutive).
